ABOUT US

At Medain Food LLC, we bring the finest dried apricots, along with dried figs, dried mulberries, hazelnuts, pistachios, and apricot kernels, from Turkey's fertile lands to the global market.

Committed to quality and reliability, we source our products at the highest standards, delivering healthy, natural, and delicious dried fruits and nuts to our customers.

Our goal is to establish a strong presence in the global market and bring these exceptional flavors from nature to tables around the world.

At Medain Food LLC, we continue to prioritize naturalness and quality, ensuring that we offer the best products to our customers.

OUR MISSION

At Medain Food LLC, our mission is to provide the highest quality dried fruits and nuts while adhering to the highest food safety and quality standards, offering our customers healthy and natural products.

OUR VISION

To become a trusted and preferred brand in the global market, supporting sustainable agriculture and bringing Turkey's natural flavors to the world.
